Subject: Piedmont Natural Gas Buyout By Duke Energy

FILED

JUL 22 2016

Clerk's Office
N.C. Utilities Commission

As a long time stock holder of Piedmont Natural Gas Company and a customer of Duke Energy Corporation I wanted to at least relay my opposition to the buyout of Piedmont by Duke Energy.

My greatest fear is this will make Duke a mega monopoly which will only benefit Duke Energy & it's shareholders.

This is not new to me as some years back I was a stockholder of CinEnergy Corp which was bought out by Duke & since Duke has gobbled up a number of smaller Energy producers.

My hope is that the North Carolina Utility Commissioners will really think this proposal through & do what is right and fair and block this buyout.

Respectfully,
Gerald B. Pollard
