RE: Docket No. E-100, Sub 124  
Integrated Resource Planning

Dear Ms. Vance:

The affidavit of Jay B. Lucas, filed on February 19, 2010 in the above-referenced docket, contained two errors. On page 6 of the redacted version of the affidavit, in the fourth paragraph under the heading "Dominion North Carolina Power," the reference to "778 MWh" should have been "753 MWh." On page 7 of the redacted affidavit, in the table headed "Annualized Capacity and Energy Rates," the line showing the capacity rates was omitted. Corresponding errors appear in the confidential version of the affidavit.

Accordingly, enclosed for filing is a corrected affidavit of Mr. Lucas, in both confidential and redacted versions. Please substitute these for the confidential and redacted versions of Mr. Lucas's original affidavit.

We apologize for any inconvenience caused by these inadvertent errors. Please do not hesitate to contact me if you have any questions concerning this matter.

Yours very truly,

Robert S. Gillam  
Staff Attorney
