)

BY THE PRESIDING COMMISSIONER: On April 10, 2024, the Commission issued an Order Requiring the Filing of Proposed Orders and Briefs after determining that a full evidentiary hearing on this matter is not required. The order directed parties to file proposed orders and briefs on or before May 10, 2024.

On May 3, 2024, Duke Energy Progress, LLC, (DEP), Duke Energy Carolinas, LLC (DEC, together with DEP, Duke) and the Public Staff filed a motion requesting an extension of ten days to file proposed orders or briefs in this proceeding. In support of their motion, Duke and the Public Staff state that due to the press of other business, additional time is necessary to file a robust joint proposed order. Duke and the Public Staff further state that no party to the proceeding objects to this request.

Based on the motion and the record as a whole, the Presiding Commissioner finds good cause to grant the requested extension. All parties may file proposed orders or briefs in this proceeding on or before May 20, 2024.
