

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

DOCKET NO. SP-13695, SUB 1

Summary of the Testimony of Philip Layfield

I work with Accion Group, LLC (hereinafter “IA” or “Accion”), the Independent Administrator for the Commission’s Competitive Procurement of Renewable Energy Program (“CPRE” or “Program”).

I am a member of the Independent Administrator’s team that conducted the CPRE Program.

The Independent Administrator was requested by the Presiding Commissioner at the November 2, 2020 hearing to work with Duke to produce the Late Filed Exhibit (“LFE”) filed in this docket.

I was responsible along with the Duke transmission evaluation team for establishing, executing, and verifying the transmission evaluation process for bids in Tranche 1. Thus, as the Late Filed Exhibit was being prepared, I reviewed the transmission evaluation content for accuracy and completeness prior to its being filed.
