**Re: Docket No. G-9, Sub 698A**

Dear Ms. Dunston:

Pursuant to the Commission's October 1, 2018 *Order Denying Motions For Reconsideration and Granting in Part Motion For Clarification* in Docket No. G-9, Sub 698, enclosed please find Piedmont Natural Gas Company, Inc.'s ("Piedmont") semi-annual Alternative Gas Report for the period January 1, 2022 through June 30, 2022 which includes the number of suppliers of Alternative Gas, the monthly volume of Alternative Gas received from each supplier, a summary of any customer complaints received relating to the receipt of Alternative Gas and any actions taken by Piedmont to resolve the complaints, and the costs incurred by Piedmont to receive Alternative Gas.

Because this report discloses information that is confidential in nature regarding the nature, quality, and quantity of gas produced by an Alternative Gas supplier, Piedmont hereby designates its report as the confidential and proprietary trade secret of Piedmont pursuant to N.C. Gen. Stat. § 132-1.2 and requests that the Commission treat this report in a manner consistent with this designation. Piedmont has also included for filing a redacted version of this report that may be posted for review by the public.

Thank you for your assistance with this matter. If you have any questions regarding this filing, you may reach me at the number shown above.

Sincerely,

/s/ James H. Jeffries IV
