BY THE CHAIR: On October 20, 2023, Public Service Company of North Carolina, Inc., d/b/a Dominion Energy North Carolina (PSNC) and Enbridge Parrot Holdings, LLC (EP Holdings) (together, Joint Applicants), filed a joint application pursuant to N.C. Gen. Stat. § 62-111(a) and Commission Rule R1-5 for authorization to engage in a business combination transaction. Attached to the joint application were the Purchase and Sale Agreement entered into by Dominion Energy, Inc., and EP Holdings, a Cost-Benefit Analysis, and a Market Power Analysis.

On May 9, 2024, the Public Staff filed a motion requesting that the Commission extend the due date for the Public Staff and intervenors to file their testimony to May 17, 2024, and for the Joint Applicants to file their rebuttal testimony, if any, to May 31, 2024. The Commission issued an order granting that motion on May 10, 2024.

On May 16, 2024, the Joint Applicants and the Public Staff filed a Joint Motion for Extension of Time requesting that the Commission further extend the due date for the Public Staff and intervenors to file testimony to May 24, 2024. The Commission issued an order granting that motion on May 17, 2024.

On May 24, 2024, the Public Staff filed a motion requesting another extension of time for the Public Staff and intervenors to file testimony to May 29, 2024. In support of the motion, the Public Staff stated that it has been working diligently on this matter, including conducting discovery, preparing its testimony and proposed regulatory conditions, and engaging in protracted settlement negotiations. However, the Public Staff indicated that it would not be in a position to file testimony by May 24, 2024. The motion further stated that no party objects to this request.

Based on the foregoing and the entire record, the Chair finds good cause to grant the Public Staff's motion, nunc pro tunc, and extend the due date for the Public Staff and intervenors to file testimony to Wednesday, May 29, 2024.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 28th day of May, 2024.
