BY THE PRESIDING COMMISSIONER: On July 14, 2020, the Commission issued a Notice of Proposed Orders and/or Briefs which required proposed orders or briefs to be filed in this docket no later than August 13, 2020.

On August 6, 2020, Duke Energy Progress, LLC, (Company) filed a Motion for Extension of Time requesting until August 31, 2020, for all parties to file proposed orders or briefs in this docket. In support of its motion, the Company states that the request for extension is due to personnel limitations resulting from the recent hurricane. In addition, the Company states in the motion that the Company and Williams Solar, LLC, (Williams) have engaged in preliminary settlement discussions and an extension would facilitate further discussion between the parties.

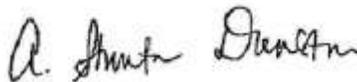

Williams authorized the Company to state in its motion that Williams does not oppose the Company's request for an extension.

Based on the record the Presiding Commissioner finds good cause to grant the extension. Proposed orders and briefs of the parties in this docket are due to be filed no later than Monday, August 31, 2020.
