Re: Amended Application in Docket No. E-35, Sub 51

Dear Ms. Campbell:

On March 9, 2020, Western Carolina University (WCU) filed an Application for authority to adjust and increase its retail electric rates and charges. Since that initial filing, WCU has become aware that it needs to amend the filing so as to be clear as to the rate changes the University was seeking in its Application. To that end, please see the Amendment to Application in the above-stated docket.
