Docket No. E-7, Sub 1228**

Dear Ms. Campbell:

Enclosed for filing in the above-referenced docket please find the Affidavits of Publication for the initial Public Notice related to the Application of Duke Energy Carolinas, LLC ("DEC") Pursuant to G.S. 62-133.2 and NCUC Rule R8-55 relating to Fuel and Fuel-Related Charge Adjustments for Electric Utilities. DEC published the notice in newspapers having general coverage in its service territory. Due to the COVID-19 state of emergency and newspaper employees and notaries being placed on furlough, not all of the newspapers in DEC's territory have been able to provide an affidavit of publication. However, those affidavits will be filed promptly upon receipt.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance with this matter.

Sincerely,

Jack E. Jirak

} **PUBLIC NOTICE**

NOTICE IS HEREBY GIVEN that the North Carolina Utilities Commission has scheduled a public hearing on an annual fuel and fuel-related charge adjustment proceeding for Duke Energy Carolinas, LLC (DEC). The public hearing has been scheduled to begin Tuesday, June 9, 2020, at 9:30 a.m., in Commission Hearing Room 2115, Dobbs Building, 430 North Salisbury Street, Raleigh, North Carolina. The proceeding is being held pursuant to the provisions of N.C.G.S. § 62-133.2 and Commission Rule R8-55 for the purpose of determining whether an increment or decrement rider is required in order to reflect changes in fuel and fuel-related costs over or under the base fuel rate established for DEC in its last general rate case. DEC filed an application and testimony relative to the subject matter of the proceeding on February 25, 2020. By its application, DEC requests Commission approval for a decrease in DEC's fuel and fuel-related costs currently in effect, with the changes being effective for service rendered on and after September 1, 2020. If approved, the net effect of DEC's request would be to decrease the monthly bill of a residential customer using 1,000 kWh of electricity by \$1.97.
