In the Matter of:)
Application of Duke Energy)
Carolinas, Inc. for Approval of Save-) VERIFICATION OF JOHN D. WILSON
a-Watt Approach, Energy Efficiency)
Rider and Portfolio of Energy)
Efficiency Programs)

In accordance with the North Carolina Utilities Commission's ("the Commission") August 14, 2009 Second Pre-Hearing Order Requiring Verified Information, I, John D. Wilson, Director of Research for Southern Alliance for Clean Energy, provide this verification regarding the information filed by Duke Energy Carolinas, LLC ("Duke") on August 10, 2009 pursuant to the Commission's July 30, 2009 Pre-Hearing Order Requiring Verified Information ("Duke's August 10 filing").

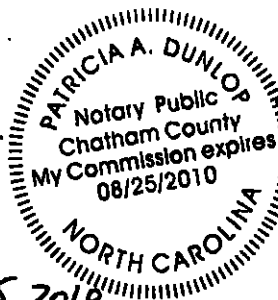

I hereby verify that Environmental Defense Fund, the Natural Resources Defense Council, Southern Alliance for Clean Energy and the Southern Environmental Law Center ("Environmental Intervenors") are in agreement with Duke's August 10 filing, subject to the caveats that 1) Duke's August 10 filing included information regarding certain matters on which Environmental Intervenors have not taken a position, and that were not material to their negotiations with Duke and the Public Staff, and 2) Environmental Intervenors reviewed a draft of Duke's August 10 filing but did not possess sufficient time or resources to review Duke's underlying calculations in detail or to conduct their own independent analysis of the questions posed by the Commission in its July 30, 2009 Pre-Hearing Order Requiring Verified Information.

I am authorized to sign this verification on behalf of Environmental Intervenors.

Sworn to and subscribed before me,
this 18th day of August, 2009.
