

**STATE OF NORTH CAROLINA
UTILITIES COMMISSION
RALEIGH**

DOCKET NO. SP-4340, SUB 0

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of	
Application of Hardison Farm Solar, LLC,)
for a Certificate of Public Convenience and)
Necessity to Construct a 4.99-MW Solar)
Facility in Martin County, North Carolina)
	AMENDED ORDER REQUIRING
	PUBLICATION OF NOTICE

BY THE COMMISSION: On October 14, 2014, the Commission issued an order granting a certificate of public convenience and necessity (CPCN) to Hardison Farm Solar, LLC (Applicant) for construction of a 4.99-MW solar photovoltaic electric generating facility to be located at 19919 U.S. Highway 64 in Williamston, Martin County, North Carolina.

On September 1, 2015, the Applicant filed a letter with the Commission stating that the Applicant has decided to add additional land for use as the site of the facility. The Applicant states that approximately 96 acres have been added on the northern boundary of the site plan. In addition, the Applicant filed a diagram illustrating this change.

Based on the foregoing amendment to the application, the Commission finds good cause to issue this Amended Order Requiring Publication of Notice.

On the basis of this application, the Commission concludes that the Applicant should be required (1) to publish notice of the application in the manner required by G.S. 62-82(a) and file an affidavit of publication with the Commission and (2) to mail a copy of the application and notice, no later than the first date that such notice is published, to the electric utility to which the Applicant plans to sell and distribute the electricity and file a signed and verified certificate of service that the application and notice have been provided to the utility.

In addition, the Chief Clerk of the Commission will deliver copies of the notice to the Clearinghouse Coordinator of the Office of Policy and Planning of the Department of Administration for distribution by the Coordinator to State agencies having an interest in the application.

If a complaint is received within ten days after the last date of the publication of the notice, the Commission will schedule a public hearing to determine whether a certificate should be awarded, will give reasonable notice of the time and place of the hearing to the Applicant and to each complaining party, and will require the Applicant to publish notice of the hearing in the newspaper in which the notice of the application was published. If no

complaint is received within the time specified above, the Commission may, upon its own initiative, order and schedule a hearing to determine whether a certificate should be awarded. If the Commission orders a hearing upon its own initiative, it will require notice of the hearing to be published by the Applicant in the newspaper in which the notice of the application was published. If no complaint is received within the time specified and the Commission does not order a hearing upon its own initiative, the Commission will enter an order awarding the certificate.

The Commission cannot take any action until after the Applicant has filed both the affidavit of publication and the certificate of service. Pursuant to Commission Rule R8-64(c)(2), the Commission will automatically dismiss the application, without prejudice to refile, if the Applicant does not file the affidavit of publication and certificate of service within twelve months of the date of this Order.

IT IS, THEREFORE, ORDERED as follows:

1. That the Applicant shall publish the Public Notice, attached as Attachment A hereto, once each week for four successive weeks in the manner required by G.S. 62-82(a) and shall file an affidavit of publication with the Commission;
2. That the Applicant shall mail a copy of the application and notice, no later than the first date that such notice is published, to the electric utility to which the Applicant plans to sell and distribute the electricity and file a signed and verified certificate of service that the application and notice have been provided to the utility;
3. That the Chief Clerk of the Utilities Commission will deliver copies of the notice to the Clearinghouse Coordinator of the Office of Policy and Planning of the Department of Administration for distribution by the Coordinator to State agencies having an interest in the application;
4. That the Applicant shall not begin construction on any portion of the additional land being proposed for the facility unless and until the Commission issues an order authorizing construction on the additional land.
5. That the Commission will proceed as it deems appropriate after the filing of the affidavit of publication and the certificate of service.

ISSUED BY ORDER OF THE COMMISSION.

This the 9th day of September, 2015.

NORTH CAROLINA UTILITIES COMMISSION

Paige J. Morris, Deputy Clerk

PUBLIC NOTICE
