Carolina Utility Customers Association, Inc. ("CUCA"), by and through its undersigned counsel, files this Petition pursuant to G.S. 62-72 and Rule R1-19 of the Rules and Regulations of the North Carolina Utilities Commission ("Commission") that CUCA be permitted to intervene and participate in the above-captioned proceeding. In support of this petition, CUCA states as follows:

1. CUCA is a corporation duly organized, validly existing, and in good standing under the laws of the State of North Carolina, with its principal office located at Suite 210, Trawick Professional Center, 1708 Trawick Road, Raleigh, North Carolina 27604. 3. CUCA is an organization of industrial utility customers whose member companies maintain numerous industrial manufacturing facilities and employ thousands of workers throughout the State of North Carolina, including the territory in which Duke Energy Progress, LLC ("DEP") has been authorized by the Commission to sell electricity at retail.

4. CUCA's member companies use electricity sold by DEP in the operation of their manufacturing plants. The availability of an adequate supply of electricity at a reasonable price is critical to the economic viability of CUCA's member companies. DEP's filing will affect the rates associated with DEP's sale of electricity to CUCA members. As a result, CUCA has a vital interest in the matters at issue in the above-captioned proceeding and should be permitted to intervene and participate.

5. CUCA agrees to accept electronic service of all filings in the Docket.

WHEREFORE, CUCA respectfully requests that the Commission enter an order allowing CUCA to intervene and fully participate in the above-captioned proceeding, including the right to discovery, and to otherwise exercise all statutory rights provided to Intervenors under North Carolina law.
