Re: Docket Nos. E-100, Sub 113; E-100, Sub 121; and M-100, Sub 124

Dear Ms. Vance:

On December 8, 2010, the Public Staff advised the Commission that it had begun working with the affected electric and natural gas utilities to develop a proposal for streamlining and updating the Commission's Revised Guidelines for Resolution of Issues Regarding Incentive Programs and hoped to be able to present a proposal to the Commission by March 31, 2011. The Public Staff needs additional time and hopes to present this proposal to the Commission in the near future.

Sincerely yours,

Elizabeth A. Denning
Staff Attorney
