**Re: Docket No. E-100, Sub 165
2020 Integrated Resource Plan of Virginia Electric and Power
Company**

Dear Ms. Campbell:

Virginia Electric and Power Company, d/b/a Dominion Energy North Carolina (“DENC” or the “Company”), encloses for filing its Corrected Appendix 2A – Plan A. In the course of preparing responses to discovery requests, the Company noticed an error on the figure in Appendix 2A showing the energy gap for Plan A. The energy gap should be 12,603 GWh rather than 9,993 GWh. This Corrected Appendix 2A – Plan A is a correction to the 2020 Integrated Resource Plan filed by the Company on May 1, 2020, and may be substituted for Appendix 2A – Plan A as filed on that date.

Please do not hesitate to contact me if you have any questions. Thank you for your assistance in this matter.

Very truly yours,

/s/Andrea R. Kells
