Re: Docket No. SP- 5155, Sub 0  
Catawba Solar, LLC – Amend Report of Proposed Construction for a 1.99 MW AC solar photovoltaic array and Application for Registration as a Renewable Energy Generating Facility

Dear Clerk Mount:

On November 12, 2015 the Commission Issued and Order Accepting Registration of New Renewable Energy Facility. On March 22, 2016, a request to amend Notice of Propose Construction and Registration as New Renewable Energy Facility was filed. We are now requesting to withdraw that request and the revised FERC Form 556 that was submitted with it. Sorry for the inconvenience.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Mark E. Sofge', with a long horizontal stroke extending to the right.
