DOCKET NO. E-7, SUB 1282

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of  
Application of Duke Energy Carolinas, LLC, ) ORDER SCHEDULING HEARING,  
Pursuant to N.C.G.S. § 62-133.2 and ) REQUIRING FILING OF TESTIMONY,  
Commission Rule R8-55 Relating to Fuel ) ESTABLISHING DISCOVERY  
and Fuel-Related Charge Adjustments ) GUIDELINES, AND REQUIRING  
for Electric Utilities ) PUBLIC NOTICE

BY THE COMMISSION: Pursuant to N.C. Gen. Stat. § 62-133.2, the Commission is required to conduct annual fuel charge adjustment proceedings for electric utilities engaged in the generation or production of electricity by fossil or nuclear fuels. Commission Rule R8-55 provides that the fuel charge adjustment proceeding for Duke Energy Carolinas, LLC (DEC), will be held the first Tuesday of June each year and that DEC shall file its direct testimony and exhibits and shall publish notice prior to the hearing.

On February 28, 2023, DEC filed its application in the above-captioned docket. By its application, DEC requests change in its fuel charges effective for service rendered on and after September 1, 2023. By its application, the proposed changes in fuel rates would result in increases of the current fuel rates of all customer classes, with the amount of the increase varying for different customer classes. The net effect of DEC's request as filed would increase the monthly bill of a typical residential customer using 1,000 kilowatt hours per month by \$18.90, excluding the regulatory fee.

The Commission is of the opinion that good cause exists to schedule a hearing on the application. The guidelines regarding discovery in this docket, subject to modification for good cause shown, are as follows:

1. Any deposition which a party desires to take shall be taken before the deadline for filing of Public Staff and other intervenor testimony. Notice of deposition shall be served on all parties at least 7 days prior to the taking of the deposition. Notice of deposition and all other discovery notices, requests and motions shall be served on the appropriate parties by hand delivery or facsimile, or by electronic delivery if the receiving party has agreed to receipt by electronic delivery.

2. Any motion for subpoena of a witness to appear at the evidentiary hearing shall be filed with the Commission before the deadline for filing of Public Staff and intervenor testimony, shall be served on the person sought to be subpoenaed at or before the time of filing with the Commission, and shall make a reasonable showing that the evidence of such person will be material and relevant to an issue in the proceeding.

See N.C.G.S. § 62-62. Unless an objection is filed, the Chief Clerk shall issue the requested subpoena within 2 business days after such motion is filed.

3. Formal discovery requests related to the application and DEC's prefiled direct testimony shall be served on DEC no later than 14 calendar days prior to the filing of Public Staff and other intervenor testimony. The party served shall have up to 10 calendar days to file with the Commission objections to the discovery requests on an item-by-item basis, but in no event shall objections be filed later than 10 calendar days prior to the deadline for filing of Public Staff and other intervenor testimony.

4. Formal discovery requests related to the prefiled direct testimony of the Public Staff or intervenors shall be served no later than 5 calendar days after the filing of that party's testimony. The party served shall have up to 3 business days to file with the Commission objections to the discovery requests on an item-by-item basis, but in no event shall objections be filed later than 9 calendar days after the filing of that party's testimony.

5. Formal discovery requests related to the prefiled rebuttal testimony shall be served on DEC no later than 3 business days after such testimony is filed. The party served shall have up to 3 calendar days to file with the Commission objections to the discovery requests on an item-by-item basis, but in no event shall objections be filed later than 3 business days after the rebuttal testimony was filed. Discovery related to rebuttal testimony shall be limited to new material introduced in such rebuttal testimony and will be carefully scrutinized upon objection that such discovery should have been sought during the initial period of discovery from the DEC.

6. Discovery requests need not be filed with the Commission when served; however, any party filing objections shall attach a copy of the relevant discovery request to the objections. Each discovery request, or part thereof, to which no objection is filed shall be answered by the time objections are due, subject to other agreement of the affected parties or other order of the Commission. Upon the filing of an objection, the party seeking discovery shall have 2 calendar days to file with the Commission a motion to compel, and the party objecting to discovery shall have 1 calendar day thereafter to file a response. All objections, motions to compel, and responses shall be served on the other affected party at or before the time of filing with the Commission.

7. A party shall not be granted an extension of time to pursue discovery because of that party's late intervention or other delay in initiating discovery.

The Commission recognizes that in the past most discovery has been conducted in an informal manner without the need for Commission involvement or enforcement, and that such has been generally successful. The above guidelines are without prejudice to the parties conducting informal discovery or exchanging information by agreement at any time with the understanding that such will not be enforceable by the Commission if outside the guidelines.

Further, the Commission finds good cause to require DEC and all other parties who file exhibits and workpapers that include tables of numbers and calculations to provide the Commission Staff, the Public Staff, and any other party upon request from such party an electronic version of all such exhibits and workpapers, with formulas intact.

IT IS, THEREFORE, ORDERED as follows:

1. That a public hearing shall be, and is hereby, scheduled to begin immediately following the hearing in Docket No. E-7, Sub 1281, which is scheduled to begin at 2:00 p.m. on Tuesday, May 30, 2023, in Commission Hearing Room 2115, Dobbs Building, 430 North Salisbury Street, Raleigh, North Carolina, for the purpose of considering the annual fuel and fuel-related charge adjustment proceeding for DEC;

2. That any person having an interest in this proceeding may file a petition to intervene stating such interest on or before Tuesday, May 9, 2023;

3. That the direct testimony and exhibits of the Public Staff and other intervenors shall be filed on or before Tuesday, May 9, 2023;

4. That DEC may file rebuttal testimony and exhibits on or before Thursday, May 18, 2023;

5. That all parties filing supporting exhibits in either PDF or Excel format shall provide the Commission Staff electronic versions of the exhibits filed in native Excel format via email at NCUCexhibits@ncuc.net, including all of the supporting tabs and formulas, within three days of the filing of such exhibits (or within three business days of the issuance of this order if already filed with the Commission); and that DEC and all other parties filing exhibits and workpapers that include tables of numbers and calculations shall provide the Public Staff and any other party upon request an electronic version of all such exhibits and workpapers, with formulas intact;

6. That DEC shall publish the Notice attached hereto as Appendix A in a newspaper or newspapers having general circulation in its service area once a week for two successive weeks beginning at least 45 days prior to the hearing;

7. That DEC shall file affidavits of publication on or before the date of the hearing; and

8. That the parties shall comply with the discovery guidelines established herein.

ISSUED BY ORDER OF THE COMMISSION.

This the 16th day of March, 2023.
