Re: *Application of Dominion Energy North Carolina Pursuant to G.S. 62-133.2 and Commission Rule R8-55 Regarding Fuel and Fuel-Related Costs Adjustments for Electric Utilities*
Docket No. E-22, Sub 546

Dear Ms. Jarvis:

During the evidentiary hearing of the above-referenced matter, Chairman Finley asked Dominion Energy North Carolina (the "Company") to provide a late-filed exhibit setting forth what the nuclear capacity factors (in total and by unit) would have been if the Company had not experienced the outages for which the Public Staff recommends disallowance of replacement fuel. Per Chairman Finley's request, attached for filing please find *Company Late-Filed Exhibit No. 1*.

Please do not hesitate to contact me should you have any questions. Thank you for your assistance with this matter.

Very truly yours,

/s/Mary Lynne Grigg
