BY THE CHAIR: On October 9, 2023, Duke Energy Carolinas, LLC (DEC or the Company) filed Proposed Modifications to the PowerShare® Nonresidential Load Curtailment Program (Proposed Modifications) pursuant to Commission Rule R8-68 in the above-captioned docket. Pursuant to Commission Rule R8-68(d)(2), the deadline for parties to file comments, interventions, and protests related to the Proposed Modifications was November 8, 2023.

On November 1, 2023, the Public Staff filed a motion requesting that the Commission extend the time for filing comments, interventions, or protests on the Proposed Modifications to Friday, November 17, 2023. On November 6, 2023, the Commission issued an Order Granting Extension of Time (Order). In addition to the requested extension, the Order provided that DEC has the right to respond to all such petitions for intervention, protests and comments within 10 days of each such filing.

On November 17, 2023, the Public Staff and CIGFUR III filed comments regarding the Proposed Modification. Under the deadlines set forth in the Order, DEC's response to their comments is due on Monday, November 27, 2023.

On November 21, 2023, DEC filed a motion requesting that the Commission extend the time for filing its response to December 11, 2023.

In support of its motion the DEC stated that due to the press of other business, it requires additional time to draft its response. In addition, the Company stated that the only parties to file comments on the Proposed Modifications, the Public Staff and CIGFUR III, do not object to this motion.

Based on the DEC's motion and the record, the Chair finds good cause to grant the requested extension of time.

IT IS, THEREFORE, ORDERED that the deadline for DEC to file its response to comments on the Proposed Modifications is extended by fourteen calendar days, from November 27, 2023, to December 11, 2023.

ISSUED BY ORDER OF THE COMMISSION.

This the 21st day of November, 2023.
