RE: Tariff Sheets and Proposed Customer Notice
Docket No. E-35, Sub 51

Dear Ms. Campbell:

On October 29, 2020, the North Carolina Utilities Commission (the "Commission") entered an Order Granting General Rate Increase and Accepting Stipulation (the "Order") in the above-referenced docket. Ordering paragraph number 2 of the Order required WCU to file tariff sheets reflecting the rates and fees designed to produce the increase in revenues as approved in the Order. Ordering paragraph 3 of the Order required WCU and the Public Staff to jointly prepare and file a proposed customer notice addressing the rate increase approved by the Order for bills rendered on or after December 1, 2020. By subsequent order dated November 9, 2020, the Commission extended the time for WCU and the Public Staff to file the tariff sheets and customer notice to November 12, 2020.

As directed by the Commission's Order, enclosed herewith as Attachment A is WCU's tariff sheets and as Attachment B the proposed customer notice. The proposed customer notice was jointly prepared by WCU and the Public Staff.

WCU respectfully requests that the Commission approve these rates and the attached customer notice as expeditiously as possible. WCU anticipates including the customer notice approved by the Commission in its November billing cycle, which will be mailed to customers on or about November 20, 2020. Thank you for your consideration. If you have any questions, please let me know.

With kind regards, I am

Very truly yours,
CAULEY PRIDGEN, P.A.
