RE: *In the Matter of Application of Macadamia Solar LLC for a Certificate of Public Convenience and Necessity to Construct a Merchant Plant Solar Energy Facility in Washington County, North Carolina*
Docket No. EMP-119, Sub 0
In the Matter of Application of Macadamia Solar LLC for a Certificate of Environmental Compatibility and Public Convenience and Necessity to Construct Transmission Line in Washington County, North Carolina
Docket No. EMP-119, Sub 1
Notice of Planned Facility Sale

Dear Ms. Dunston:

Pursuant to Rule R8-63(e)(4), Applicant Macadamia Solar LLC (“Macadamia Solar”) hereby provides notice that Geenex Solar LLC (“Geenex”), the current owner of Macadamia Solar, plans to sell the Macadamia Solar project and planned transmission line to EDF Renewables Development, Inc. (“EDF”). Geenex’s plans to sell the project to EDF were detailed in the Pre-Filed Direct Testimony of Kara Price filed in Docket No. EMP-119, Sub 0 on August 31, 2021.

Because EDF plans to purchase the Applicant in its entirety (including the project company and all assets), the identity of the Applicant will not change. The planned closing date of the transaction is March 8, 2023. The Applicant will notify the Commission after the transaction has closed. As EDF’s development partner, Geenex will continue to be involved in the development of the planned solar facility and transmission line.
