PSNC Energy

Clerk's Office
N.C. Utilities Commission

Gentlemen:

Gentlemen:

In June 2006 PSNC requested "Basic Facilities Charge" increase from \$7.74 to \$15.00 per month, more than twice the then current charge. Now PSNC is back asking for an increase \$2.00 from the current \$10.00.

To charge me \$10 per month just to be connected to their system is PLENTY! I therefore respectfully request that in representing the consuming public before the NC Utilities Commission, you urge the Commission to NOT APPROVE any increase to the basic facility charge.

Respectfully,

Dieter Hammer
PSNC Energy customer
