

STATE OF NORTH CAROLINA
UTILITIES COMMISSION
RALEIGH

DOCKET NO. E-7, SUB 1263

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of
Application of Duke Energy Carolinas, LLC,)
Pursuant to N.C.G.S. § 62-133.2 and)
Commission Rule R8-55 Relating to Fuel) ERRATA ORDER
and Fuel-Related Charge Adjustments for)
Electric Utilities)

BY THE COMMISSION: On August 16, 2022, the Commission issued an Order Approving Fuel Charge Adjustment in the above-captioned docket. It has come to the Commission's attention that its summary of the evidence in support of its conclusions for Findings of Fact Numbers 8 through 10 included an incorrect table. The table following the first paragraph to begin on page 15 should instead state:

<u>N.C. Retail Customer Class</u>	<u>Projected MWh Sales</u>
Residential	22,809,193
General Service/Lighting	23,222,537
<u>Industrial</u>	<u>12,202,704</u>
Total	58,234,434

The Commission concludes that good cause exists to replace the table included on page 15 of its Order Approving Fuel Charge Adjustment with the above table.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 17th day of August, 2022.

NORTH CAROLINA UTILITIES COMMISSION

Erica N. Green, Deputy Clerk
