BY THE PRESIDING COMMISSIONER: On October 15, 2021, Public Service Company of North Carolina, Inc. (PSNC), the Public Staff, Carolina Utility Customers Association, Inc., and Evergreen Packaging, LLC filed a Stipulation of Settlement (Stipulation) in the above captioned proceeding. Paragraph 27 of the Stipulation states that within 15 business days of the filing of the Stipulation, PSNC and the Public Staff will file with the Commission a mechanism to (1) allow PSNC to recover all reasonable and prudent costs incurred for adopting, implementing, and operating cost-effective energy efficiency measures and programs and (2) establish certain requirements for requests by PSNC for approval and continued operation of energy efficiency programs consistent with the provisions for the piloting of PSNC's energy efficiency programs.

On October 29, 2021, PSNC filed a Motion for Extension of Time to file an agreed form of energy efficiency mechanism with the Commission as contemplated in Paragraph 27 of the Stipulation. On November 9, 2021, the Commission issued an Order that extended the date for filing the energy efficiency mechanism to November 10, 2021. On November 10, 2021, PSNC and the Public Staff filed a Joint Motion for Extension of Time to file an agreed form of energy efficiency mechanism. In support of the joint motion, PSNC and the Public Staff state that they have been diligently working on finalizing the energy efficiency mechanism but have not completed it.

Based on the motion and the record, the Presiding Commissioner hereby grants the motion to extend the date for filing the energy efficiency mechanism in compliance with Paragraph 27 of the Stipulation to Wednesday, November 24, 2021.

ISSUED BY ORDER OF THE COMMISSION.

This the 19th day of November, 2021.
