Thank you, Dr. Fireman. Although this hearing is primarily for expert witnesses, we will permit limited public testimony during the hearing. I would encourage those public witnesses who wish to testify to be brief and avoid repetition. Selection of spokesmen for particular points of view would be helpful.

Chairman Finley

I plan to attend the NCUC hearing on Tues., March 15th, DOCKET NO. E-7, SUB 819, on Duke Energy's request for funding for the Lee nuclear power plant.

I will be traveling from Mars Hill, and will be at the hearing by 9 am in order to testify as a public witness before the evidentiary hearing.

Respectfully,

Richard Fireman. M.D.
