BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of
Application of Wilkinson Solar LLC for a)
Certificate of Public Convenience and) ERRATA ORDER
Necessity to Construct a 74-MW Solar)
Facility in Beaufort County, North Carolina)

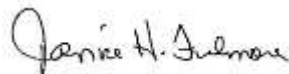

BY THE PRESIDING COMMISSIONER: On October 11, 2017, the Commission issued an Order Issuing Certificate of Public Convenience and Necessity in the above-captioned proceeding granting the application filed by Wilkinson Solar LLC for a certificate of public convenience and necessity to construct a 74-MW solar photovoltaic (PV) facility in Beaufort County, North Carolina. The certificate attached to the Order as Appendix A inadvertently included a condition not imposed in the body of the Order that was related to an issue in the case that had been resolved prior to issuance of the Order. The Presiding Commissioner, therefore, finds good case to issue this Errata Order correcting the certificate.

IT IS, THEREFORE, ORDERED that Appendix A hereto shall constitute the corrected certificate of public convenience and necessity issued for the 74-MW_{AC} solar PV merchant plant electric generating facility, associated equipment, and ancillary transmission facilities proposed to be constructed by Wilkinson Solar LLC in Beaufort County, North Carolina.

ISSUED BY ORDER OF THE COMMISSION.

This the 12th day of October, 2017.
