

2. The parties have been diligently engaging in informal discovery and preparing for the submittal of testimony and a hearing in this case. However, accessibility and personnel issues related to COVID-19, as well as the press of other matters, have materially slowed down the collection and production of documents and other discovery responses, as well as the parties' preparation of their cases.

3. Accordingly, the parties jointly request that all procedural deadlines in this matter be extended by approximately sixty (60) days. Under the revised schedule as proposed, any depositions would have to be taken by December 14, 2020; the direct testimony and exhibits of Complainant would be due for filing on or before November 10, 2020; the direct testimony and exhibits of Respondents would be due for filing on or before December 10, 2020; and Complainant's rebuttal testimony and exhibits would be due for filing no later than January 12, 2021. A hearing would be held at the Commission's convenience, preferably after January 26, 2021.

WHEREFORE, the Parties respectfully request that the Commission issue an order extending all deadlines established in the May 28, 2020, Procedural Order by 60 days, as set forth herein, and such other relief as the Commission deems just and proper.

Respectfully submitted this 27<sup>th</sup> day of August, 2020.
