Ms. Culpepper,

Yesterday and today, you filed on behalf of the Public Staff testimony in Docket No. E-34, Sub 46, in the Matter of Application of Appalachian State University, d/b/a, New River Light and Power Company for an adjustment of rates and charges for electric service in North Carolina. Included in certain of the Public Staff witnesses' testimonies were exhibits that included spreadsheets detailing costs that are at issue in this case.

To facilitate the Commission's consideration of this matter, and in particular to prepare for the evidentiary hearing on January 9, 2018, Commission Staff requests that you provide the live spreadsheets corresponding to the exhibits included in the Public Staff witnesses' testimony. I have copied on this email counsel for the Applicant, and I ask that you include Messrs. Colo and Dwight in any communication responding to this email.

Thank you and best regards,

Patrick
