Re: Carbon Plan Docket #:E100 Sub 190CS

Get with the times.

Fossil fuel is OUT.

SOLAR and WIND energy
is the way of the
future. Save the Earth.
Save the people.

Save yourself.

Re: Carbon Plan Docket #E100 Sub 190CS

The carbon plan should
reshape NC energy usage
to include wind + solar
energy instead of conventional
fossil fuel technologies. We
want to preserve the future
for our kids.
