BY THE CHAIR: On June 30, 2023, the Public Staff filed the joint testimony and exhibit of Lynn Feasel, June Chui, Lindsay Q. Darden, and John R. Hinton in the above-captioned proceeding. On July 25, 2023, the Public Staff filed a motion requesting that the Commission excuse witness Chui from appearing at the August 2, 2023, expert witness hearing and allow witness Feasel to sponsor the areas of the prefiled joint testimony and exhibit originally addressed by witness Chui.

In support of the motion, the Public Staff states that witness Feasel is familiar with the subject matter of this docket and the content of the joint testimony. The Public Staff further states that witness Feasel will be able to answer questions from the Commission and the Applicants at the expert witness hearing in the same capacity as witness Chui. According to the Public Staff, no party will be prejudiced by its motion. The Public Staff represents that it notified the Applicants, and no party objected to the motion or the requested relief.

Based on the foregoing and the entire record, the Chair finds good cause to grant the Public Staff's motion to excuse witness Chui from attending the expert witness hearing and allow witness Feasel to testify regarding portions of the prefiled joint testimony and exhibit originally addressed by witness Chui.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 26th day of July, 2023.
