Re: Carolina Water Service, Inc. of North Carolina
Docket Nos. M-100, Sub 148 and W-354, Sub 360
Procedural Request Regarding Implementation of the Federal Tax
Cuts and Jobs Act

Dear Ms. Jarvis:

On January 3, 2018, the North Carolina Utilities Commission (“Commission” or “NCUC”) entered an Order in Docket No. M-100, Sub 148 entitled “*Order Ruling that Certain Components of Certain Public Utility Rates Are Provisional as of January 1, 2018, Initiating a Generic Proceeding, and Requesting Comments.*”

Subsequent to filing its Initial Comments in the Commission’s generic Tax Docket, CWSNC filed a notice on March 23, 2018, in Docket No. W-354, Sub 360, advising the Commission that the Company, pursuant to NCUC Rule R1-17(a), was providing notice 30 days in advance of its intention to file an application for a general rate case. CWSNC intends to file its General Rate Case Application on Monday, April 23, 2018, and now proposes that the impact of the Federal Tax Cuts and Jobs Act on the Company’s rates be addressed and resolved in that proceeding.

CWSNC is authorized to state that the Public Staff supports this procedural request, subject to the proviso that the Company in fact files its General Rate Case Application on April 23, 2018, or a date soon thereafter.

As always, we thank you and your staff for your assistance; please feel free to contact me if there are questions or if additional information is required.
