J, thanks for reaching out. I understand Sparks has 50 resources available to assist our Carolinas region with storm support. I have attached information for you to review. I would like for your crews to be enroute to Greensboro, NC with an arrival by noon on Monday.

Imbedded in the template is a roster for you to complete and send to [REDACTED] with a copy to me. Also, please send me the companies that will be coming under the Sparks umbrella.

Thanks again for reaching out.
