UTILITIES COMMISSION
RALEIGH**

DOCKET NO. E-100, SUB 158

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of
Biennial Determination of Avoided Cost) ORDER GRANTING
Rates for Electric Utility Purchases from) EXTENSION OF TIME
Qualifying Facilities – 2018)

BY THE CHAIR: On November 5, 2020, the Commission issued an Order Allowing Comments on Storage Retrofit Stakeholder Meetings Report in the above-captioned docket with initial comments to be filed on or before November 20, 2020, and reply comments to be filed on or before December 11, 2020.

On December 8, 2020, Duke Energy Carolinas, LLC (DEC) and Duke Energy Progress, LLC (DEP, collectively Duke) and Virginia Electric and Power Company d/b/a/ Dominion Energy North Carolina (DENC) filed a joint motion requesting an extension of time until December 16, 2020, to file reply comments. To support this petition, Duke and DENC (Movants) state they would like to coordinate their response to the initial comments of the other parties as much as possible and are working diligently to prepare joint reply comments. Due to the press of other business and schedules, Movants request additional time to coordinate and finalize joint reply comments.

Movants further indicate in their motion that no party has objected to the extension.

Based on the Motion and the record as whole, the Chair finds good cause to grant the requested extension of time to file reply comments to December 16, 2020.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 10th day of December, 2020.
