RE: Duke Energy Carolinas, LLC's' 2017 Revised REPS Compliance Plan and Duke Energy Progress, LLC's 2017 Revised REPS Compliance Plan

Docket No. E-100, Sub 147

Dear Ms. Dunston:

Pursuant to the Commission's June 3, 2013 *Order Granting in Part and Denying in Part Motion for Disclosure* in Docket No. E-100, Sub 137 (the "June 3, 2013 Order"), enclosed are Duke Energy Carolinas, LLC's ("DEC") Table 2 (page 192) and Revised Exhibit A of its 2017 Renewable Energy and Energy Efficiency Portfolio Standard ("REPS") Compliance Plan and Duke Energy Progress, LLC's ("DEP") Table 2 (page 195) and Revised Exhibit A of its 2017 REPS Compliance Plan. The June 3, 2013 Order required DEC and DEP to annually review their REPS compliance plans from four years earlier and disclose any redacted information that is no longer considered a trade secret.

DEC and DEP have reviewed their 2017 REPS Compliance Plans and determined that certain information contained in Table 2 and Revised Exhibit A no longer qualifies as a trade secret: combustion turbine costs, contract duration and estimated Renewable Energy Certificates ("RECs") for compliance with REPS set-aside requirements. However, certain information in Revised Exhibit A remains a trade secret and commercially sensitive information, and both DEC and DEP renew their earlier requests to treat this information confidentially pursuant to N.C. Gen. Stat. § 132-1.2. The redacted information includes the names of counterparties with whom DEC and DEP have contracted for RECs. Public disclosure of this information would harm DEC's and DEP's ability to negotiate and procure cost-effective purchases and discourage potential bidders from participating in requests for proposals.

Because the confidential data filed on September 1, 2017 has not changed, DEC and DEP are not re-filing the confidential version of those pages.

If you have any questions, please let me know.

Sincerely,

Kendrick C. Fentress

Kendrick C. Serstress
