

AQUA NORTH CAROLINA, INC.
DOCKET NO. W-218, SUB 573
Aqua North Carolina Late-Filed Hearing Exhibit 9
Date: January 27, 2023

Topic: Aqua and Public Staff UPIS Comparison

Aqua Late-Filed Hearing Exhibit 9: During the hearing, Commissioner Duffley requested information that will allow the Commission to compare the Company's and Public Staff's plant in service numbers, attached for reference. Please provide information that shows the Company's projected and actual total plant in service by rate division for the following:

- a. Jan-Aug 2022
- b. Sept – Nov 2022
- c. Dec 2022

Answer

Please see the attached file LFE 9.xlsx which includes LFE 9a – 9g for details of the plant in service for the base year (2022).

Prepared by: William Packer, Vice President Controller, Essential Utilities, Inc.
