Docket No. P-100, Sub 137c

In the Matter of
Area Code Relief for North Carolina's 336)
Numbering Plan Area)

COMMENTS SUPPORTING EXTENSION OF TIME

Time Warner Cable Information Services (North Carolina), LLC ("TWCIS") respectfully submits these Comments for the purpose of supporting the Motion for Extension of Time filed by AT&T on January 28, 2014 ("Motion") in the above-referenced proceeding.

TWCIS is a North Carolina CLP providing service to customers in, among other areas, the 336 Area Code. In its Order Requesting Comments and Scheduling Public Hearings issued January 21, 2014 ("Order") in the above-referenced proceeding, the Commission seeks comment on various proposals for addressing a projected exhaustion in available numbers for the 336 area code and requires that affected carriers provide customer notice (by publication in newspapers of general circulation and bill insert, U.S. Mail or electronically).

For the reasons set forth in AT&T's Motion, a 60-day delay in the current customer notice requirements, public notice and hearing date as set forth in the Order will help facilitate the provision of notice to affected customers in an orderly fashion and provide such customers a meaningful opportunity to participate in the proceeding. TWCIS is not aware of any prejudice to consumers, carriers, or the public interest that would be caused by grant of the Motion.
