BY THE COMMISSION: On November 24, 2008, the Southern Environmental Law Center (SELC), the Natural Resources Defense Council (NRDC), and the Southern Alliance for Clean Energy (SACE) filed a joint petition to intervene in the above-captioned proceedings. The petition states that SELC, NRDC, and SACE and their members are interested in promoting greater reliance on energy conservation and efficiency to meet North Carolina's energy needs.

The Commission is of the opinion that good cause exists to allow the intervention by SELC, NRDC, and SACE.

IT IS, THEREFORE, ORDERED as follows:

1. That SELC, NRDC, and SACE should be, and hereby are, allowed to intervene in the above-captioned docket; and
2. That the name and address of the attorney for SELC, NRDC, and SACE is as follows:

Gudrun Thompson  
200 W. Franklin Street, Suite 330
