

Commissioners, Docket W-354 Sub 414

I have one last person that wanted their bill to be included into the record. David Henry of 380 Agnew Rd., Mooresville, NC 28117 (The Farms neighborhood) is actively disputing an \$1800 water bill he received in February. His irrigation was not on nor did he have any leaks. The usage billed to him was well over 150,000 gallons. If needed he can provide his billing statement. Another example of widespread overbilling by CWSNC.

Thank you,  
Don Calhoun
