RE: Correction to Rebuttal Testimony of D Logan on behalf of Complainant WLI Investments, LLC (Docket Nos. W-1305, Sub 35, and W-1300, Sub 77)

Dear Ms. Dunston,

On November 16, 2022, WLI Investments filed the Rebuttal Testimony and Exhibits of D Logan. It has come to my attention that a small portion of Mr. Logan's testimony was inadvertently mis-transcribed in the final revisions of the document. On page 8, line 14-15, the words "...that will be prohibitive to developing the Lea Lots" should be stricken, and the words "...compared to what ONSWC agreed to allow and accept" should be inserted in place of the stricken language. A corrected version of page 8 of Mr. Logan's testimony is included with this letter as Attachment 1. The change does not affect the pagination on any other pages in Mr. Logan's testimony. I apologize for any confusion or inconvenience that may have been caused by this error.

By copy of this letter, I am forwarding a copy of this correction to the parties of record. Should you have any questions regarding this filing, please contact me at your earliest convenience.

Sincerely,

/s/ Patrick Buffkin
