PURSUANT TO NCUC Rule R1-19, now comes the North Carolina Waste Awareness and Reduction Network, (NC WARN), through the undersigned attorney, with a motion to allow it to intervene in this docket. In support of the motion is the following:

1. NC WARN is a not-for-profit corporation under North Carolina law, with approximately one thousand individual members and families across the state. Its purpose is to reduce hazards to public health and the environment from nuclear power and other polluting electricity production through energy efficiency and renewable energy resources. Its address is NC WARN, Post Office Box 61051, Durham, North Carolina 27715-1051.

2. The attorney for NC WARN to whom all correspondence and filings should be addressed is John Runkle, Attorney at Law, 2121 Damascus Church Road, Chapel Hill, North Carolina 27516. Rule 1-39 service by email is acceptable and may be sent to [jrunkle@pricecreek.com](mailto:jrunkle@pricecreek.com).

3. Many of NC WARN's members are customers of the Duke Energy

Carolinas in North Carolina and use electric power supplied by it in their homes and businesses. These members are concerned about the cost of energy and the impacts of those costs on themselves, their families and their livelihood.

4. NC WARN has intervened in the numerous rate proceedings and other related dockets before the Commission. If allowed to intervene in this docket, NC WARN will advocate that the Commission fully investigate the application by Duke Energy Carolinas to determine whether Duke Energy's fuel costs are reasonable.

THEREFORE, NC WARN prays that it is allowed to intervene in this matter and fully participate in the Commission's deliberations.

Respectfully submitted, this the 15<sup>th</sup> day of April 2013.
