Adjustments for Electric Utilities)

BY THE CHAIRMAN: On October 2, 2018, the Commission issued an Order in the above-captioned docket that, among other things, established Thursday, October 25, 2018, as the date for the Public Staff and other intervenors to file direct testimony, Friday, November 2, 2018, as the date for Dominion Energy North Carolina (DENC) to file rebuttal testimony, and Thursday, November 8, 2018, as the date for the expert witness hearing.

On October 25, 2018, Nucor Steel-Hertford and Carolina Industrial Group for Fair Utility Rates I (Movants), filed a joint motion requesting that the Commission extend the time for filing direct testimony to Friday, October 26, 2018, and extend the time for filing rebuttal testimony to Monday, November 5, 2018. In support of their motion, Movants state that they are working diligently on the preparation of their testimony, but they need one additional day to complete it. Further, Movants state that the Public Staff and DENC have no objection to the extensions of time requested by Movants.

Based on Movants' motion and the record, the Chairman finds good cause to extend the due date for the Public Staff and Movants to file direct testimony to Friday, October 26, 2018, and to extend the due date for DENC to file rebuttal testimony to Monday, November 5, 2018.

IT IS, THEREFORE, SO ORDERED.
