NOW COMES Duke Energy Progress, LLC (“DE Progress” or the “Company”), by and through its legal counsel and pursuant to Rules R1-7 and R1-24 of the Rules and Regulations of the North Carolina Utilities Commission (“Commission”) hereby requests leave to designate as a potential redirect exhibit the following:

DEP Exhibit 79: The NPDES Permit issued for Mayo in July 1982

Use of this document would likely be in response to the Sierra Club's use of the Mayo EIS document (formerly Sierra Club potential Cross Exhibit No. 22), which the Commission permitted as a late filed potential exhibit by Order dated September 25, 2020. The Company conferred with counsel for Sierra Club who has indicated no objection to the Company's request.

Accordingly, the Company requests leave to designate the documents identified above and attached to this Motion as a potential redirect exhibit.

Respectfully submitted, this the 5th day of October 2020.
