Duke Energy Progress, LLC, (“DEP”) and Duke Energy Carolinas, LLC (“DEC”) (collectively “Duke Energy” or “Companies”), pursuant to N.C. Gen. Stat. § 62-155(f), the North Carolina Utilities Commission’s (“Commission”) April 3, 2018 *Order Modifying And Approving Riders Implementing Solar Rebate Program* hereby notify the Commission that the participation caps for residential customers and non-residential customers under the Duke Energy Solar Rebate Program have been met for both DEP and DEC for the first capacity window of 2022. The participation limit for non-profit customers has not been reached in DEC and DEP.

**NOTIFICATION OF BIENNIAL PARTICIPATION LIMITS BEING REACHED**

As directed by the Commission in its April 3, 2018 Order, Duke Energy hereby notifies the Commission that the biennial participation limits for residential customers and non-residential customers have been reached for both DEC and DEP, and the Companies’ websites have been updated accordingly. These limits were reached after the random selection process, following the close of random selection application period on

January 12, 2021. A snapshot of the website informing the public of the rebate limits being reached is shown as Appendix A.

The Companies are continuing to accept applications for DEP and DEC non-profit customers, and the Companies will, in accordance with the Commission's April 3, 2018 Order, notify the Commission and update its website if the participation limits for non-profit customers are reached.

Respectfully submitted this 25th day of January, 2022.
