and Commission Rule R8-69)

BY THE PRESIDING COMMISSIONER: On August 21, 2018, Dominion Energy North Carolina (DENC) filed an application in the above-captioned docket for approval of a cost recovery rider for its costs of demand-side management and energy efficiency programs. The application included the testimony and exhibits of six DENC witnesses.

On October 25, 2018, the Public Staff filed the testimony of David M. Williamson and Michael C. Maness.

On November 5, 2018, DENC and the Public Staff (Movants) filed a joint motion requesting that the Commission excuse their witnesses from attending the expert witness hearing to be held on November 8, 2018. Movants state that they have reached agreement on all the issues in this proceeding, and that the only other party to this docket, Carolina Industrial Group for Fair Utility Rates I, does not object to Movants' request to excuse all witnesses. Further, Movants state that they have agreed to waive cross-examination of each other's witnesses, and request that their testimony be received into evidence.

Based on the foregoing and the record herein, the Presiding Commissioner finds good cause to excuse the Movants' witnesses from attending the expert witness hearing on November 8, 2018, and to receive their testimony and exhibits into evidence at the hearing.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 6th day of November, 2018.
