	ORDER APPROVING TARIFF REVISION

BY THE COMMISSION: On January 26, 2023, YES Companies EXP WFC, LLC, (Applicant) filed with the Commission a notification of revised rates and fees for charging for water and sewer service to its customers in Foxhall Village Manufactured Home Community in Wake County, North Carolina, the increased cost of purchasing water and sewer service from the City of Raleigh (Raleigh).

Based upon the filings of the Applicant, the Public Staff recommends approval of a monthly administrative fee of \$6.30 (consisting of \$3.75 for the Applicant's meter reading, billing, and collecting costs plus a pass through of Raleigh's \$2.55 base charges for water and sewer service). Based upon 4,000 gallons per month usage and rates of \$4.76 per 1,000 gallons for water and \$6.24 per 1,000 gallons for sewer, the total monthly bill will be \$50.30 (\$44.00 usage charge and \$6.30 administrative fee).

Based upon the foregoing, the Commission approves the Public Staff's recommendation. Further, the Commission concludes that if Raleigh's base charges or usage rates should be reduced for any reason, the Applicant should be required to notify the Commission immediately for a tariff revision.

IT IS, THEREFORE, ORDERED as follows:

1. That YES Companies EXP WFC, LLC, is granted a tariff revision for Foxhall Village Manufactured Home Community in Wake County, North Carolina, as set forth herein;
2. That the Schedule of Rates, attached as Appendix A, is approved and deemed to be filed with the Commission pursuant to N.C. Gen. Stat. § 62-138. Said Schedule of Rates is authorized to become effective for service rendered on and after the date of this Order;

3. That if Raleigh's base charges or usage rates should be reduced for any reason, the Applicant shall notify the Commission immediately for a tariff revision;

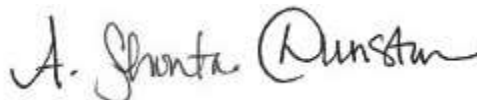

4. That a copy of this Order and the Schedule of Rates, attached as Appendix A, shall be mailed with sufficient postage or hand delivered by the Applicant to all its customers in Foxhall Village Manufactured Home Community contemporaneously with the next billing of customers; and

5. That if the service area is sold or the ownership changes, the Applicant and the new owner shall file an Application for Transfer of Authority (Form WR2 may be found on the Commission's website – [www.ncuc.net](http://www.ncuc.net)).
