Cleveland Matthews Line:

To whom it may concern,

My name is Amy Futrell and I am writing in reference to the above line that is prospectively coming to our area. I live on Parkertown Road in Four Oaks and this is suppose to be coming through my backyard. My husband and I are against this. Our daughter who will be graduating in a few years is hopefully planning to build in that area where this is suppose to go. Would you want this to come to your backyard and mess up future plans for your family. I also have concerns about the health issues of what this will cause to my family and I. We really wish you would consider running this line in another area. Thank you, Amy
