Good afternoon, Mr. Millin.

Thank you for your email earlier today inquiring as to the status of Duke Energy Progress (DEP) filing its 2015 Integrated Resource Plan (IRP). DEP has in fact filed their 2015 IRP with this Commission, on September 1, 2015 in Docket No. E-100, Sub 141. DEP subsequently filed corrected 2015 IRP information on September 9, 2015. You may access the filings at our website at www.ncuc.net, or by clicking [here](#).

We hope this information resolves your request. Please feel free to contact us again if we can be of any further assistance with this matter.

Sincerely,

Subject: 2015 Duke Progress Energy Integrated Resource Plan delay

Hi Chairman Finley,

The public having immediate access to the 2015 Duke Energy Progress Integrated Resource Plan is critical in the face of the Duke Energy WNC Modernization Project public trust issues. The 2014 IRP was released on September 2 last year. Why is Duke Energy delaying the 2015 DEP IRP given the time sensitive nature of these matters?

Please order Duke Energy to release the draft of the 2015 DEP IRP if they need more time to finalize. Then order that they explain when the final 2015 DEP IRP will be released, Chairman Finley.

Thanks,
