Specifically, the Companies request that the Commission extend the June 15, 2023 deadline to file reply comments by eight days to June 23, 2023.

In support of this Motion, the Companies show the Commission the following:

1. On January 27, 2023, the Companies filed their Joint Petition for Approval of Clean Energy Impact Program in the above-captioned dockets (“Petition for Approval of CEI”).
2. On February 9, 2023, the Commission issued an Order Requesting Comments and directed that “on or before March 28, 2023, the Public Staff and Intervenors may file initial comments regarding Duke’s proposed CEI Program; and [t]hat on or before

4. In its March 28, 2023 Order, the Commission granted the Public Staff’s Motion for Extension of Time and ordered the Parties to file initial comments on the Companies’ Petition for Approval of CEI on or before April 25, 2023 and reply comments on or before May 16, 2023.

5. As of the date of this filing, the Public Staff, the North Carolina Attorney General’s Office, the North Carolina Sustainable Energy Association, the Southern Alliance for Clean Energy, and the Carolinas Clean Energy Buyers Association, have intervened (collectively, the “Intervenors”) in the above-captioned dockets and filed their initial comments on April 25, 2023.

7. The Companies continue to work diligently to review and respond to the Intervenors’ initial comments. The Companies are requesting this additional time to continue discussions with some Intervenors to better understand their positions in Initial Comments as well as due to the press of other business.

8. The Companies therefore request an additional eight days for all parties to file reply comments in these dockets, up to and including June 23, 2023.
