Re: Docket No. G-9, Sub 739

Dear Ms. Jarvis:

On January 4, 2019, Foothills Renewables LLC (Foothills) filed an application requesting that the Commission approve its participation in the pilot program established by the Commission in its *Order Approving Appendix F and Establishing Pilot Program* issued June 19, 2018, in Docket No. G-9, Sub 698. The Public Staff has reviewed the application and has no objection to Foothills participating in the pilot program, subject to the Commission's approval of a receipt interconnect agreement between Foothills and Piedmont Natural Gas Company, Inc.

I am forwarding a copy of this letter to all parties of record.

Sincerely,

Electronically submitted  
/s/ Elizabeth D. Culpepper
