SP-5190 SUB O

This is a follow up letter to explain
I received a 10 yr contract with (NPPD)
Nebraska Public Power District in 2005 for
the bank so they knew that I had a
purchaser for my power energy. It took
a couple years to get all the Grants &
Permits and the facility built. Started
producing electricity in 2007.

Thank You,

Daniel (Danny) Klutke
