BY THE COMMISSION: On October 6, 2015, the Commission issued an Order granting North 301 Solar, LLC (Applicant), a certificate of public convenience and necessity (CPCN) pursuant to N.C. Gen. Stat. § 62-110.1(a) for construction of a 20-MW solar generating facility to be located at 15919 Highway 301, near Enfield, Halifax County, North Carolina. On the basis of the amended application, the Commission concludes that Applicant should be required (1) to publish notice of the application in the manner required by N.C. Gen. If the Commission orders a hearing upon its own initiative, it will require notice of the hearing to be published by Applicant in the newspaper in which the notice of the

application was published. If no complaint is received within the time specified and the Commission does not order a hearing upon its own initiative, the Commission will enter an order awarding the certificate.

The Commission cannot take any action until after Applicant has filed both the affidavit of publication and the certificate of service. Pursuant to Commission Rule R8-64(c)(2), the Commission will automatically dismiss the application, without prejudice to refile, if Applicant does not file the affidavit of publication and certificate of service within twelve months of the date of this Order.

IT IS, THEREFORE, ORDERED as follows:

That the Chief Clerk of the Utilities Commission will deliver copies of the amended application and Public Notice to the Clearinghouse Coordinator of the Office of Policy and Planning of the Department of Administration for distribution by the Coordinator to State agencies having an interest in the application;

4. That based on the existing CPCN Applicant may proceed with construction of the facility on the land initially identified as the project site;

5. That Applicant shall not commence construction on the two new parcels of land until the Commission issues an amended CPCN, or otherwise authorizes such construction;

6. That the Commission will proceed as it deems appropriate after the filing of the affidavit of publication and the certificate of service.
